

California Sun Dried Nectarines

DESCRIPTION

The nectarines are washed, cut and pitted, then carefully laid on drying trays, sulfured (for color retention and as a preservative), and laid in the California sun to dry. The nectarines are removed from the trays, sorted, cut, packaged, and stored. The nectarines used are grown locally in the California San Joaquin Valley and the sun drying process locks in the intense fruit flavors.

QUALITY FACTORS

Color, Flavor	Practically uniform orange with red characteristic of sun dried nectarines.	
	Typical intense nectarine flavor; no spoiled, rancid, or off flavors.	
Defects	Practically free of defects from discoloration, dark units, imbedded dirt, or other foreign material.	
	May contain pit or pit fragments.	
Cut Size	Halves	- Size according to grade
	Julienne Cut	- Random pieces, 1/4" X 1 1/2" strips
	Diced	- Random pieces, 3/8" X 1/2" and smaller
	Double Diced	- Random pieces, 3/8" X 1/4" and smaller

ANALYTICAL

Sulfur	< 5000 ppm

INGREDIENT STATEMENT

Nectarines, Sulfur Dioxide (added for color retention and as a preservative)

PACKAGING & LABELING

Packed in a non-sealed poly bag inside a corrugated box.

KOSHER STATUS

These products are Kosher certified.

STORAGE RECOMMENDATIONS

Store in a cool, dry atmosphere not to exceed 45° F. Shelf life may be extended if stored below 0° F. All products must be stored under proper warehousing conditions and temperatures to preserve the product and prevent discoloration.

EXPECTED SHELF-LIFE

12 months when stored properly.

ALLERGEN STATEMENT

Traina California sun dried nectarines do not contain any allergens as defined by the FDA. These products do contain sulfur dioxide which is used as a processing aid and as a preservative. Some people may be sensitive to sulfites.

MSDS

These products are a food ingredient manufactured in compliance with FDA and other regulations. They do not contain any hazardous substances and therefore do not require a Material Safety Data Sheet.

GMO STATEMENT

This product is GMO-Free (free of any genetically modified organisms).

COUNTRY OF ORIGIN

U.S.A.
